Summer PD June 28,29, 30

Our summer Google Training will be lead by the EdTech Team. EdTechTeam sends the best trainers in the world, all over the world, to help teachers not merely learn tools, but discover new educational possibilities for their students and themselves.

June 28&29 – Level 1, 8:30-3:30

In this two-day workshop we'll explore the core areas of Google Apps for Education to increase professional learning and leadership; efficiency in the classroom; and student learning and creativity.

June 30 – Level 2, 8:30-3:30

Move beyond the basics of Google Tools and learn how to maximize 21st century learning in the classroom and within your school site. Teachers will learn how to move into purposeful blended learning lessons while enhancing student understanding of topics and concepts.
