## Spanish Project

This year the Spanish students have been doing a culture and language project with the juniors and seniors in Vilanova de Arousa, located in the North West portion of Spain. They pen palled back and forth to learn about their cultures and exchange information. This was a great opportunity for them to practice learning about each other's school life, tongue twisters, teachers, dad jokes, and cultural aspects. Mrs. Guerrero wants to thank Fraga (English teacher) for being willing to help them. In the future they hope to have more topics to communicate about.

The junior high wrestling team was spectacular this season. Finishing the season almost undefeated was Parker McCord, going 20-2. He also claimed the MEC and County Championship titles. Also finishing a great season was Micah Baumgartner, finishing 16-4 and earning the MEC Championship title. Myles Hicks also finished above .500, going 12-8. Great job team. The future looks bright for the wrestling program!
