#### RSSC MEAL CHARGE POLICY

Students may charge 5 (\$13.25) meals. When the student reaches the charging limit, the parents must communicate with me as to when charges will be paid. If parents do not communicate with me as to when charges will be paid then the student will be served an alternate meal, consisting of a peanut butter sandwich and juice. Alternate meals will only be provided for 2 days, after that the parents must provide lunch including a drink for their children until the charges are paid in full. The building principal may notify the Randolph County CPS in the event that any child is not being provided a lunch by the parent.

Free & Reduced applications can be filled out at any time throughout the school year.
