April Students of the Month

Grace Watson has been chosen as the 12th grade Student of the Month. Grace has been a fantastic student to have over the last 4 years. She is a determined student who also challenges her peers in discussion. Grace's plans are to attend IU Bloomington and study Law and Public Policy. She also can not wait to travel the world and gain new experiences. Cannot wait to see what all you accomplish Grace!

Selected by Mrs. Brittany Cash

Kaibre Stephan has been selected as the 11th grade Student of the Month. Kaibre does outstanding work in Pre-Calculus. She can always be counted on to show up ready to give her best everyday. In addition to her outstanding work in the classroom, Kaibre is involved in numerous varsity sports and extra-curricular activities. After high school, Kaibre plans to study communications in sports media and sports broadcasting. Keep up the fantastic work Kaibre!

Selected by Mr. Chad Wilson

Jaxson Latello was nominated as Randolph Southern 10th grade Student of the Month. Jaxson is awesome to have in class. He is an outgoing student who is willing to try any class, sport, or club. Jaxson has been doing a fantastic job in his classes and is a friend to everyone.

He plays tennis, works for Keesling Farms, and is currently building a diesel truck. He enjoys going to Youth Explosions and church. Jaxson RS is lucky to have you, keep being AWESOME!

Selected by Mrs. Brittany Cash

Landon Godsey has been selected as the 9th grade student of the month. Landon is one of the unsung heroes in my class. He always comes in ready to work and help other students when needed, but he does not do it to make himself stand out, he does it because it's the right thing to do. He sets an example for the other students. Thank you Landon for being an amazing student.

Selected by Mrs. Kay Brown

Marrissa Taylor has been chosen as April's eighth grade Student of the Month. Marrissa has worked consistently to refine her level of craftsmanship, raising the bar for each of her projects. Marrissa explores options, seeking to conceptually expand beyond the requirements of the assignments resulting in work that comes across as fun exploration. Marrissa's willingness to try allows her to be a positive part of her class. I look forward to Marrissa's success in the forthcoming years.

Selected by Mr. Justin Walker

Levi Vance has been selected as the seventh grade student of the month. Levi is a wonderful student to have in class. He always shows up with a positive attitude. He always completes his work thoroughly and effectively. I don't think he's missed a single assignment in any of his classes all year long. He gets along well with his classmates and is willing to help with whatever is needed to keep class progressing. Out of school he is active in youth group. Keep it up Levi!

Selected by Mr. Nicholas Miller
