

# Child Care Resource & Referral Community Services

Increasing awareness of the impact of high-quality early childhood care and education

Indiana's five local Child Care Resource and Referral agencies help employers and community organizations connect families to quality child care.

**Connect with your local agency to access the following services:**

## Information

Increase awareness of the importance of quality child care and its impact on the broader community.

## Work Life Supports

Develop work-life policies and programs related to the child care needs of employees.

## Workshops

Find and attend workshops for community members, employers and their employees.

## Connections

Build partnerships with other family and youth-serving organizations to drive positive outcomes for families and communities.

## Data

Access data on local and regional child care trends in order to identify gaps and solutions.
